

Time, Talent & Treasure Assessment

We were created to love! We know from scripture that loving God means obeying him (John 14:15). It is such a great blessing to know that God has planned for us to be involved in His work.

Our role is to submit our time, our talent and our treasure to Him. The following tools are designed to help you determine your development in these areas.

INSTRUCTIONS: Begin by circling the number beside each statement that corresponds to where you believe you are right now:

1=Just Beginning

2=Getting Going

3=Developing but room to grow

4=Maturing

5=Got it Mastered

Next, add up the numbers in each section and place the sum on the Total line. After you have finished all three sections, see where your score for each area puts you. Lastly, spend a few minutes praying over what you can do to improve and adjust yourself to where God is moving.
