All-Church Study

Out of My Mind

Too often we're prisoners to our thoughts: those voices telling us to worry, that we aren't good enough, or that we can't ever change our behavior. Through the healing power

of Christ and some practical applications, we can rewire our brain to become the person God designed us to be.

One Minute After You Die

The questions we have about life after death—Is there a heaven? Am I good enough? What if I'm not?—can leave us wondering. But that doesn't mean we have to live in fear. Discover why our ideas of life after death could change everything in One Minute After You Die.
